

We are delighted to have you with us at this time, and pray that you will experience the deep love of God the Father as you share in the life of his church.

**Building Upgrades**

A huge thank you to all involved in the successful completion of our **Auditorium** and **Room 10** projects. These projects have been on the planning board for a very long time, so it's great to see them implemented over recent months. Both have significantly improved our facility for use not only by our ministries, but also for community/external hire. Your generosity with time and skills, targeted financial contributions, along with monies from our Building Fund, have enabled these projects to be completed without using funds from our church operating account.

**Update from Graham Mabury**

Merle and I continue to be amazed by and grateful for the number of doors the Lord continues to open for us. This is a very brief summary of some highlights, but hopefully it will encourage you, and help you to pray for us. As the Scripture says, 'All that we have accomplished You [Lord] have done for us' Isa 26:12. Your prayers are vital, and please ask if you would like more information.

**Pastor:** You're our family and this is home. Every visit, dedication, marriage or memorial service is precious beyond words to Merle and me, and being involved in the Pastoral Care Training Day [thanks Sue] and Salt [thanks Jonathan] was such a joy!

**donatelifelife Honour Ceremony:** A privilege to lead this ceremony honouring organ donors, deeply grateful recipients and dedicated medical teams. Very moving to hear a father [well known in sport] tell how the tragic loss of his son became the gift of life to many others.

## College Open Day

Mount Pleasant College opened its doors to our church family and the public for its annual Open Day on Sunday 17 July. There was much laughter, friendship and energy shared around delicious food, student displays, and performances by guest artists including MPC alumni and Andrew Kitchen (*Antiskeptic*). The day showcased the significant impact our College has had upon students and the community since opening in 2007.

Our hope is that our students find encouragement, guidance and purpose while they study with us and, through those connections, the love of Christ

is made clear to them. Please pray for us, and let's not forget the incredible opportunity [and responsibility!] we have in our College to engage our community and to bear witness to the Lord Jesus by building real, lasting, local relationships.

## Coolbellup Campus Update

After a great time on leave with family in Cyprus, we are excited to be back with our "real family" at Cooby. It has been almost a year since we got Coolbellup under the banner of MPBC, and looking back we can repeat the word "WOW" over and over again. All along we have had great expectation from God and we have not been disappointed. Now that I am full time at MPBC (pastoring and teaching), there is even greater expectation and anticipation for the things of God. As we focus on the Vision and Mission of the church, we hope to see the Hand of God at work in our lives and in our community. Join us as we experience God TOGETHER.

– Peter Christofides

## Kids Holiday Club

What a wonderful sight to see our building buzzing with over 200 children at our first ever Holiday Club during the second week of the school holiday. MPBC volunteers, Child Evangelism Fellowship and Girls' Brigade collectively ensured that everything ran smoothly. The children enjoyed active games, delicious morning tea and creative crafts. Even more exciting was the children's engagement while they were worshipping Jesus through song, and their response to the Bible and missionary stories. We praise God for touching our church and community's children's lives! We trust Him to continue the growth in each of them. We especially pray for the 30 children who committed their lives to Christ during the Holiday Club.

## Alpha

"It sparked the passion and hunger for Christ that I have been longing for all my life."

"I started out unsure of my faith. Now I definitely have a relationship with Jesus. I now understand more about myself and how I had a relationship with Jesus all along."

Alpha is an opportunity to explore what life is about. It's designed primarily for people who wouldn't go to Church or call themselves Christian, but is also suited to Christians who are struggling with questions of faith, are new to faith, or are looking to review the basics. It has been encouraging to see God working in lives through our recent Alpha course. Many lives were changed with first time commitments and others started the course with doubts but finished knowing that they had a real personal relationship with Jesus.

The Salt Young Adults (18-30ish years) have just started a new Alpha course with over 100 attending the introductory night. It will run on Wednesday evenings to 7 September – if you know of other young adults who may be interested in attending please, register at [www.mounties.org.au/saltalpha](http://www.mounties.org.au/saltalpha)

## Camp Zion

Did someone say that winter camps were awesome! 88 campers from Years 7-12, 40+ leaders, the Aerial worship team and brave volunteers once again spent 5 days at Nanga Bush Camp, worshipping and praising God. Leaders presented seminars for our youth with topics such as, gaming addiction, praise and worship, reading the bible, dating, prayer, seeking God, to name a few, which were well received. God moved in an awesome way, with our final night being an amazing time of worship. Many of our youth gave their lives to the Lord for the first time and many recommitted. Please continue to uphold our youth and leaders in prayer:

"I finally broke from my fear of God's plans and gave my life to Christ. Even though I'm nervous, I know God has control."

"I am still not 100% sure if I want the relationship. I still have some walls to break through. But this camp has really helped me."

## Can We Trust The New Testament?

We are delighted to be hosting Dr John Dickson at Booragoon Campus on Tuesday 23 August at 7.30pm. As we live in a culture that largely dismisses faith as unreasonable, how can we be confident that the Bible is authentic, reliable and trustworthy? John from the Centre for Public Christianity will cite hard evidence from historical sources that confirms the authenticity and reliability of the Bible.

## Bread Run Ministry

Two new volunteers are sought to join the Bread Run team. This ministry seeks to support individuals and families who are experiencing difficulties in making ends meet. It is a wonderful opportunity to reach out with Christ's love in our community. The team goes out in pairs and the commitment is around once per month for about 2 hours on a Sunday afternoon. Please contact Kathy Sinclair at the Church office if you are interested.
