

We are delighted to have you with us at this time, and pray that you will experience the deep love of God the Father as you share in the life of his church.

Farewell Cheryl

Our beloved Cheryl Bowden from reception has recently retired after 14 years of working at MPBC. We have been so blessed by her in so many ways - her impeccable administration skills over the years including PA to Colin Waddell and Nick Scott, as well as the friendly voice on reception. Cheryl has radiated God's light and love through her kindness, her vibrant personality, and especially her caring, servant heart. She is looking forward to the next step in her journey, spending more quality time with her precious family including two young grandsons. Thankfully we will still see her around on Sundays and in various ministries throughout the week where she is actively involved. As we thank Cheryl for all she has done, we welcome Jane Murphy to the reception desk where she will job share with Kay Ruddy.

'The True Cost' Film Screening

Nearly 300 people came to see the movie, hosted by our Salt Ministry and Catalyst group. Fashion is the world's second most polluting industry after mining. The level in which we consume and use fashion in our everyday life is astounding, and many of these highly profitable multi-national fashion companies ignore the plight of those people caught in their supply chain network. Over 120 copies of the Baptist World Aid Ethical Fashion Guide were distributed, and numerous signed campaign postcards to send to SEED were collected which will hopefully influence the company to commence discussions to improve their business model with regards to their supply chain. Ping-Pong-A-Thon 2016

Who would have thought that playing Table Tennis for 24 hours can make such a huge difference in bringing freedom to children and youth who are victims of sex-trafficking and modern-day slavery? People from across the congregation, from 8 to 80 years old, came together and had great fun playing ping pong. Currently fundraising has reached \$6,906 and is still coming in. Across Australia the total so far is \$293,000 – something that can really impact the lives of many children and young people in Cambodia, Thailand and the Philippines through the organisations which Ping-Pong-A-Thon are linked with in these affected countries. together

What an exciting month we have ahead of us in November! Our theme for Sunday services is **Celebrate Jesus** and we have some great things in store to facilitate our celebration of the living presence of Christ in our midst. On the first Sunday we welcome as our special guests the **WAAPA Gospel Choir**. Week two will be a far more reflective worship experience, this time led by a group called "Still." Our focus for week three will be lament as we explore what it means to celebrate Jesus in the midst of life's most difficult and challenging times. Our guest speaker for this day will be **Ian Shelton** from Toowoomba. The month's focus will culminate in a colourful, exuberant international celebration on Sunday 27 November. After our morning services on that day, a brief **Church Family Meeting** will be followed by a lunch-time **International Food Festival**. Don't miss any of these wonderful opportunities to celebrate Jesus with your church family. To God be the glory! – *Nick Scott*

International / ESL Group

The International/ESL Bible Study Group meets each Sunday in the Board Room during the 8.45am Booragoon service. Most then attend the 10.30am service. Keith Gallagher and Sue Clark (teacher of English as a Second Language) run the group together, with the valued support of Daisy, CB Lee, and David Griffiths. Members come and go, but the core group have been Chinese and Filipino. All nationalities are very welcome. Some started with no English but can now say "fish'n chips" and can repeat The Australian

National Anthem. Keith's studies in Mark's Gospel are used as the basis for language learning, and valuable cultural aspects are discussed, such as football and cricket and the plebiscite on same-sex marriage. If you are interested in attending Sue can be contacted through the Church office.

Coolbellup Campus Update

Looking back on the *HIS STORY* series, we have had a blessed time. We were able to take an overview of the whole Bible and see God's Hand at work in the past, His Hand at work amongst us now and anticipate the hope in Him for the future. We have also had our first "Cooby Crowd" gathering on a Saturday night where we gathered and shared in a meal together and had the opportunity of inviting friends to the church. We hope this will develop into a second service in the near future. God has been gracious and we look forward to an exciting future in His presence. – *Peter Christofides*

Christmas Is Coming – How can we bless others?

While Christmas is a time of blessing and fun for most of us, there are those who do it really tough or who are simply on their own. There are numerous ways that we can bless those in need. Will you join us as we share the love and hospitality of Jesus in a practical way this Christmas?

- **Christmas Hampers:** We hope to prepare 150 hampers to be distributed to those in our community.
- **Fremantle Street Doctor:** We provide practical gifts for homeless men and women.
- **Women's Refuge:** We provide gifts for those who will be seeking refuge this Christmas time.

Pick up a flyer to discover how you can donate and help with these projects.

- **Christmas Lunch at MPBC:** Every year there are a number of people who do not have family to spend Christmas with and so we plan to once again host a special Christmas Day Lunch in the Booragoon Campus Function Room. We are seeking help from people in the following areas: food planning and oversight; food preparation; set up. If you can help please contact Sue Ford at: sue.ford@mounties.org.au

Silent Retreat Reflection

Wake to birdsong, monks singing psalms, chimes of the monastery clock, then add the fragrance of lavender, fruit trees in full blossom, delicious nourishing food and you have a sample of the sights, sounds and tastes of the New Norcia Silent Retreat. Pastor Nick Scott led us into silence, reminding us that silence is a rare gift and encouraging us to meditate on Psalm 139 and passages from Luke. This enabled us to follow the Lord's example of retreating to a quiet peaceful place to spend time with our Father, to enjoy the companionship of the Lord and to immerse ourselves in the good gifts so abundantly evident in the surroundings. Silence broke Sunday with communion and prayer, followed by sharing how God had blessed our time spent in His presence. We returned home feeling spiritually refreshed, immensely blessed and with thankful hearts. – *Evelyn Ingram*

India Short-Term Mission Trip

Not long now before this team heads off to Bangalore, India. Please pray for the remaining visas to come through on time, and for good health, safety and strength as we serve the people at Maranatha Baptist Bible Seminary and Living Word Children's Home. Our training sessions have gone well and the team are all very excited at this opportunity that the Lord has opened for us. Thank you so much for your prayers and financial support. – *Jonathan Anthony*
