OCTOBER 2018

## THIS MONTH

# THE Cross

During the month of October we continue this current important series on The Cross, with a focus on such life-changing topics as reconciliation, justification and salvation. In addition, we also have as our guest speaker on Sunday 21 October, Dr Vee Tetseo, founder and director of Live to Worship Ministries International, a ministry which helps churches in Asia in worship, music and leadership. Then, on Sunday 28 October at 5.30pm, we will be screening the movie "Paul, Apostle of Christ" — a powerful account of the challenges faced by the early church, providing deep insight into the person and character of Paul. We hope you can join us for this free event, and that you will be blessed by the ministry of the Word through this month of October. — Nick Scott

### Bible readings for October:

7 Oct 2 Corinthians 5:11-21      14 Oct Galatians 2:17-21      28 Oct Titus 2:11-14

## Coolbellup Update + Cooby Christmas Carols

After the great celebration of three years at Cooby, we want to thank God once again for all He has done. The work and ministry with Cooby Cares is going well and we are excited about the privilege of serving those in Coolbellup.

After much prayer, the application for the Cooby Christmas Carols in Hargreaves Park has been approved. Last year we had the first one in the park and there was much great feedback from the 250 people that attended. This year, the approval is for 400 people! So, save this date of **Saturday 15 December** for Cooby Carols. We would love you to join our Cooby choir — sign up at the Info Point or email [jonathan.anthony@mounties.org.au](mailto:jonathan.anthony@mounties.org.au) — otherwise, come and join us for the sing-along in the park on 15 December.

To God be the glory, great things He has done. — Peter Christofides

## College Launchpad 2018 Report

Launchpad 2018 was a fun event enjoyed by all who attended. It was a great example of family-friendly entertainment provided by our College students who were joined by musicians from North Lake Senior Campus.

A large audience of family members and supporters saw short films, heard songs from many different musical genres, and appreciated the media students' work. Of course, the whole evening was able to be seen and heard because of the efforts of the sound production students who worked hard to keep the show rolling.

Many people from the audience expressed appreciation for quality of the displays and performances on the night. If you were not able to attend this year's Launchpad event, we encourage you to keep watch for next year's — it promises to be even better!
