

We are delighted to have you with us at this time, and pray that you will experience the deep love of God the Father as you share in the life of his church.

Salt Alpha

With only one week to go before we have our Celebration Dinner on 7 September, the Alpha Programme is going strong with nearly 150 registered participants including leaders and about 30 who are new to our Salt Ministry. We give God all the glory for the amazing response from this age group with new registrations coming in every week. There has been some very interesting and thought provoking discussions among different groups and we continue to trust that the Lord will reveal himself to those who need to experience him in a personal way. Thank you so much for all your prayers throughout the Salt Alpha programme.

Operation Christmas Child

Operation Christmas Child is a unique project of Samaritan's Purse bringing God's hope and joy to children in desperate situations. Shoeboxes are now available from the Info Point at a cost of 50 cents. Fill them with a variety of goodies and return them to the church. For more info, the launch will be on 11 September, or speak to Jody Bennett at the Info Point.

Essence – Love

Essence is about women of all ages connecting and sharing in God's love. Saturday 30 July saw the ordinary Hall at Booragoon Campus become a testimony of love for the wedding-themed extravaganza entitled "Love... by this they will know". Nearly 200 women from across generations and from a number of local churches came together for an evening of love in action. The beautiful younger women from our church modelled wedding gowns through the decades; the earliest being from 1934

and the most recent from this year. With many of the gowns belonging to older women in church, they were thrilled to see them worn again. After a sumptuous interval, guests were taken on a journey with speaker **Sara David** (livingchildinc.com). Sara shared openly about her faith journey in supporting the peoples of Papua New Guinea, particularly women in childbirth in aiding to lower the maternal and infant mortality rate through education, training and supplying birthing kits. Sara's heartfelt stories touched us all.

The whole evening bore testimony to God's love and grace and hope. Thanks to all who made it an evening to remember. To God be the Glory! The next Essence event will be a night for all ages on Saturday 5 November.

HIS STORY

Research suggests that only a small percentage of followers of Jesus really understand how the 66 books of the Bible story fit together. They understand small parts, and are familiar with many of the more well known stories, but not the entirety of God's story from creation to Christ to the new creation. The eight part series that we will embark on through September and October will take us through that wonderful story. Our aim is to demonstrate how everything in the Bible fits together as one story – His Story! Our prayer as a preaching team is that together our faith will become stronger, founded on the truth of the Word of God. We encourage you to come with us on this great journey through His Story. – Nick Scott

Coolbellup Campus Update

Can you believe it?! Cooby started up one year ago! On 23 August 2015, Pastor Nick Scott dedicated the Coolbellup Campus of Mount Pleasant Baptist Church to the Lord. One year later, we celebrated with much joy and gladness because of what God has done, but also, with great anticipation for what God is going to do. Over the past year, we have seen people coming to church faithfully as well as new people from the area of Coolbellup and the surrounding suburbs. The MPK Cooby Kids has increased in number as well as a number of other activities happening.

More ministry in the community has been planned.

With grateful hearts we can boldly say, "Praise be to God, great things He has done." – Peter Christofides

Towards Belief

This course is currently running on Tuesday evenings in the Function Room at Booragoon Campus. Each week looks at a subject that has proved to be something of a stumbling block to people coming to faith in Christ – suffering, science, exclusive faith, homosexuality, etc. By way of DVD, Karl Faase interviews leading authors, speakers and apologists around the world as they seek to defuse the top "belief blockers" of our time. This presentation is followed by a lively group discussion. It was thrilling to hear one of the speakers from the DVD series live recently when John Dickson spoke at MPBC.

India Night Dinner

We are so thankful to the Lord for a great turn-out, huge support, and the success of the dinner from our wider congregation. Each team member from our Salt ministry shared about their sense of call from the Lord to be involved in this life-changing opportunity to serve the people of India. There was also a great sense of community and family as people enjoyed exotic Indian cuisine, Bollywood-style dancing, an inspiring talk from Kathy Sinclair, and an amazing spread of desserts. We want to extend our sincere thanks to all those who volunteered to help the team out in putting the night together.
